**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition and like having several options when I choose my provider. I frankly don't trust the major providers with my privacy and I like that I can choose a small provider who does. Through my provider I have inexpensive internet and telephone service that I wasn't able to get from the major competitors.
